Role: Founder & CEO at Bolandia Creative Inc. (Life Lapse App)

Umbrella IT brings all my crazy visions to life. They are patient and guide me through the process. We have been working together for about a year and a half now and I'm extremely pleased with their professionalism and affordability. We now have two apps in the Apple App Store (Life Lapse & Zoomyy) and one in the Google Play store (Life Lapse). If you have specific questions about how they are to work with, please feel free to reach out to me on LinkedIn.
